

Month Wise Sub division wise IP set consumption for FY 18 - 19

Sl.No	Month	Name of Sub-Div	Name of segregated agricultural feeders in the sub-division	Initial energy meter reading in the feeder	Final energy meter reading in the feeder	Meter Constant	Monthly consumption in MU as recorded in all the agricultural feeders pertaining to the subdivision at the substations	Distribution loss (11KV line, DTC & LT line) & sales to other consumers if any.	Net consumption in MU duty deducting the Distribution loss (11KV line, DTC & LT line) & sales to other consumers if any.	Beginning of the month	Service at the end of the month	Mid-month	Average consumption per IP per month (specific Cons/IP/Month)	Beginning of the month	Serviced at the month	Mid-month	Total sales to IP sets / MU
